Mission & Vision

- Our vision is to impact the lives of teen parents in Greater Cincinnati and around the globe in areas of parenting, education, technology, arts, and leadership while alleviating social determinants that keep the family and their children from being successful.
- Our mission is to help teen parents master the concepts of self-leadership to leave a legacy.

About The Company

- Rosemary's Babies Company was founded in 2013 by Rosemary Oglesby-Henry. Our organization officially opened its doors as an Ohio Registered 501C3 November 11, 2016.
- Since 2016, RBC has served more than 1,200 teen parent families Mothers and fathers providing in-person and virtual support . In 2020, RBC launched a capital campaign to expand our current programming, acquire and renovate a new facility, and provide supportive housing for teen parents. RBC was awarded the property in June 2022. We have projected to open our doors Winter 2023. The new facility will provide wellness, education, a state-of-the-art Stem lab, and supportive housing.
- Rosemary's Babies Co. Legends Showcase & Benefit Gala supports the operation of our future facility Holloway House & Resource Center. This year donations will focus on providing necessary training and safe spaces for dads.
