Hello Ethan.

Hope you are getting lots of chances to enjoy this beautiful Spring weather. You couldn't have asked for a more perfect day for the NA Easter Egg hunt on Saturday.

I'm writing today to provide an update on the RBC proposal to acquire and restore the property at 3864 Reading Road. Attached you will find a letter that we would like to share with the Strategic Development Committee, and also a brief that provides extensive details of our renovation and business plans. All of this information has been provided to The Port Authority but we also wanted to offer this to NANA and the Committee, as a courtesy.

Could you please share this information with the Strategic Development Committee on our behalf?

Thank you for your consideration.

Elaine Bobbey, RBC Board Member
Community Liaison for North Avondale
